

## It only takes minutes with our RecCheck Report

Be sure you're professional and proficient. Determine your risk when conducting property appraisals and assessments in minutes with our RecCheck Report (AAI Radius Report).

*RecCheck Report (AAI Radius Report) - \$79 - In your hands in under 30 minutes*  
**ASTM 1-Mile Radius Environmental Records Search (CERCLIS, LUST, UST, etc.)**

The RecCheck report was developed as a result of focusing 35+ years of environmental consulting experience on a single aspect: **ease of use.**

Our reports are simple to understand, provide all the necessary data, and boast countless useful additional features that can be tailored to your specific needs!
